Qualified and dedicated laboratory staff aid students with experiments. We have state of the art facilities and our Computer. Biology, Physics Chemistry and Mathematics Laboratories are enviable.

## Science Laboratoris

**I Hear, I forget ; I See, I remember ; I do, I understand**

True to this saying, we emphasize on practical on practical work as far as possible to help to help our students understand the theories of science. Lab work helps brings forth the child's innate curiosity and channels it into a systematic exp;oration of thing unknown. at the middle school and higher levels. We have well equipped labs and modern scientific teaching aids. Our labs attest our commitment to provide high quality education.

## SCHOOL LIBRARY

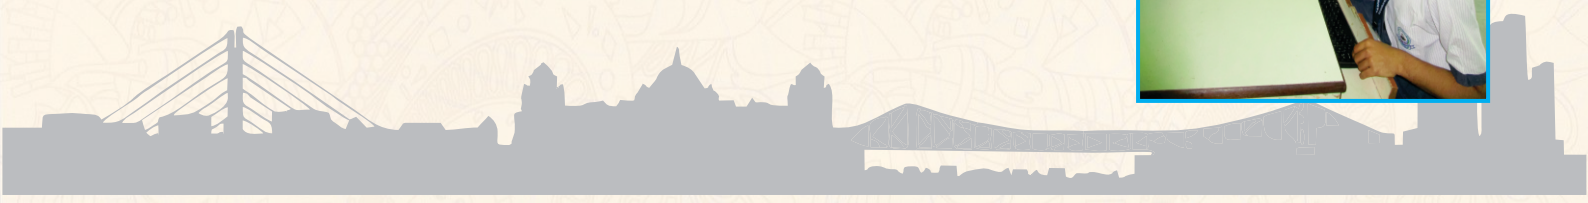

A school library (or a school library media center) is a place / platform within a school where students, teachers, staff of a private school have access to a variety of resources. The goal of the school library media center is to ensure that all members of the school community have equitable access “to books and reading, to information, and to information technology”, uses all type of media....is automated, and utilizes the internet [as well as books} for information gathering. School libraries are distinct for public libraries because they serve as “learner - oriented laboratories which support, extend, and individualize the school’s curriculum..... A school library serves as the center and coordinating agency for all material used in the school.”

The major finding of these studies was that students can access to a well - supported school library media program with a qualified school library media specialist, scored higher on reading assessments regardless of this classes

The goals of the school library program should support the mission and continuous improvement plan of the school.

## You Must be the change you wish to see in the world

We explicitly believe in convoying with the modern era. So a well equipped modern computers lab provides the desered, up-to-date, modernized knowledge to our students. Furnished with a huge projector lab, updated programs trained faculty, we dispense our best.
